

Drive Safely with DrivePro™ 220

Car Video Recorder | DrivePro™ 220

Day or night, Transcend's DrivePro 220 Car Video Recorder is your most trustworthy eyewitness on the road. The recorder's built-in battery, emergency recording, F1.8 aperture lens, snapshot feature and bright 2.4" color LCD screen all ensure excellent user-experience. In addition, with useful features including GPS receiver, Lane Departure Warning System, Forward Collision Warning System, Speed Alarm and Parking Mode, the DrivePro 220 offers the optimum driving safety.

Forward Collision Warning System (FCWS)
to keep a safe distance

Parking Mode to safeguard
your vehicle when you're not there

- Lane Departure Warning System (LDWS) to prevent potential incidents
- Speed alarm to remind you of the speed limit
- Built-in battery to ensure uninterrupted recording
- F1.8 aperture and 130° viewing angle for clear and smooth 1080P recordings
- Bright 2.4-inch color LCD screen for live view and video playback
- Wi-Fi connectivity and exclusive DrivePro App
