**TRANSCEND INFORMATION, INC.
BUSINESS REPORT**

Looking back on 2023 from a global perspective, the memory market continued the downward trend in economic conditions from 2022, with the overall situation remaining severe and market performance remaining weak. Major memory manufacturers were still under inventory pressure, and production capacity showed a contracting situation. During this economic downturn, Transcend continued to flexibly adjust its inventory management policies and procurement strategies, coupled with a highly efficient production model, to meet customer order demands, thereby maintaining a high gross profit margin performance. Starting from the fourth quarter of 2023, the effects of inventory depletion and production cuts gradually became apparent, and DRAM and NAND FLASH prices showed an upward trend. In this rapidly changing memory market, Transcend adhered to its consistent prudent operating strategy, continuing to deepen its roots in existing sales channels, timely launching new products, enriching product diversity to enhance customer satisfaction, and strengthening brand value. The Company also continuously sought breakthroughs in industrial application fields, satisfying customer needs through comprehensive R&D capabilities, and establishing long-term mutually beneficial cooperative models through its professional sales team. Transcend will continue to grow and thrive. We would like to express our gratitude to our shareholders, customers, suppliers and employees for your long-term support and encouragement of Transcend.

For the year of 2023, the consolidated revenue of Transcend reached NT\$10.5 billion, the consolidated gross profit was NT\$3.04 billion, and the gross margin rate was 29%; the consolidated operating income was NT\$1.89 billion, the net income before tax was NT\$2.47 billion and the net income after tax was NT\$1.98 billion. Based on the calculation of the share capital of the weighted average number of shares outstanding of NT\$4.3 billion, the EPS was NT\$4.63.

Facing diverse market demands, as a leading brand in a Taiwanese industry, Transcend continues to pursue product innovation and R&D technology improvements, providing customers with high-quality products and services, which is the driving force behind the Company's growth and progress. In 2023, we launched industrial-grade DDR5 5600 memory modules, creating low-power, high-performance, low-latency, and highly reliable embedded solutions. In the consumer market, we introduced the ESD310 dual-interface portable SSD and the ESD300 series of Type-C high-speed mini portable SSDs, offering consumers diverse choices to meet their different needs. Our strategic product was the DrivePro Body 70 wearable camera designed for professionals, featuring durability, convenience, and efficiency. Thanks to years of commitment to brand management, Transcend has received numerous honors and awards for our outstanding R&D design, product quality, and brand image. This year, Transcend was honored as one of the "Top 25 International Brands in Taiwan" for the 17th consecutive year. The ESD310C dual-interface portable SSD and DrivePro Body 70 wearable camera were also recognized by the "2024 Taiwan Excellence Award."

In addition to focusing on the core business operations, Transcend also strives to contribute corporate resources by long-term sponsorship of youth sports events, including HBL and HVL, earning the “Sports Promoter Award” from the Sports Administration of the Ministry of Education for ten consecutive years, demonstrating Transcend’s achievements in fostering youth sports. Furthermore, to fully support the development of youth baseball in Taiwan, Transcend launched the “Rural Baseball Seeds Project” eight years ago, aiming to enable underprivileged young players in rural areas to pursue their baseball dreams. Transcend hopes that by combining business with sports, more people will pay attention to youth sports events and contribute to the physical and mental well-being of the next generation.

Looking forward to 2024, it is expected that the memory market will recover from the slump of 2023 and experience a year of robust development. The benefits of inventory adjustments will drive continued increases in DRAM and NAND FLASH prices, while reduced production capacity and a rebound in consumer demand will restore a healthy overall supply-demand balance. Facing dramatic cyclical changes in the industry, Transcend continues to flexibly adjust the business strategies of various departments within the organization. It also appropriately plans its assets in accordance with the overall economic environment, enabling it to maintain stable profitability. In the future, we will seize opportunities, continuously strengthen our professional capabilities, implement efficient management, and expand our customer base while introducing new areas of expertise. We believe this will bring a new wave of growth momentum. At the same time, sustainable development is also an issue that Transcend attaches great importance to. In addition to developing memory module products that reduce energy consumption, we have also adopted environmentally friendly packaging consumables to continue to contribute to sustainable development. We look forward to your continuing care and support for the Company and appreciate your valuable comments and feedback. We will continue to seek innovations and breakthroughs, delivering ever more remarkable performance in all areas.

Audit Committee's Review Report

The Board of Directors has prepared the Company's 2023 Business Report, Financial Statements and Earnings Distribution Proposal. Transcend Corporation's Financial Statements have been audited and certified by Mr. Chin-Chang Chen and Mr. Lin, Yi-Fan, the CPA of the Pricewaterhouse Coopers. The Business Report, Financial Statements and Earnings Distribution Proposal have been reviewed and considered to be complied with relevant rules by the undersigned, the audit committee of Transcend Corporation. Pursuant to Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, we hereby submit this report.

The Audit Committee of Transcend Information, Inc.

Chairman of the Audit Committee: WANG, YI-HSIN

February 29, 2024

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

PWCR 23000329

To the Board of Directors and Shareholders of Transcend Information, Inc.

Opinion

We have audited the accompanying parent company only balance sheets of Transcend Information, Inc. (the "Company") as at December 31, 2023 and 2022, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of material accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2023 and 2022, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Independent Auditors' responsibilities for the audit of the parent company only financial statements* section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Company's 2023 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Company's 2023 parent company only financial statements are stated as follows:

Valuation of inventories

Description

Refer to Notes 4(13), 5(2) and 6(5) to the parent company only financial statements for the information

on the Company's inventory accounting policy, estimates and assumptions and allowance for inventory valuation losses.

The percentage of the Company's inventories to total assets is material and the Company applies judgements and estimates in determining the net realizable value of inventories at the balance sheet date. The Company mainly produces DRAM and flash memory. As these products have a short life cycle and belong to a highly competitive industry, the market prices change frequently. Since the Company's inventories and the allowance for inventory valuation losses are material to the financial statements, the valuation of inventories has been identified as one of the key audit matters.

How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Company's operations and industry. Assessed the reasonableness of the policy and procedures to recognize allowance for inventory valuation losses.
- B. Obtained an understanding of the Company's inventory control procedures. Reviewed annual inventory count plan and observed the annual physical count of material inventory storage location in order to assess the effectiveness of internal controls over inventory.
- C. Obtained relevant evaluation reports of inventory and tested the logic and accuracy of information to assess the reasonableness of allowance for inventory valuation losses.

Estimation of allowance for sales discounts

Description

In consideration of business volume, the Company provides a variety of business incentives to specific customers or products, and based on that, the Company can estimate the allowance for sales discounts monthly. Refer to Notes 4(25) and 6(4) to the parent company only financial statements for the information on the estimation of allowance for sales discounts.

Since the contracts are numerous and the result could affect the net revenue in the parent company only financial statements, the estimation of allowance for sales discounts has been identified as one of the key audit matters.

How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Company's operations, industry and the procedures to recognize allowance for sales discounts.
- B. Obtained an understanding of the Company's sales procedures and interviewed management to assess the appropriateness of sales allowance contracts and internal control over estimation of allowance.
- C. Obtained the evaluation list of allowance for sales discounts, and tested material sales allowance contracts and recalculated it to assess the reasonableness of allowance determined by the Company.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the Audit Committee, are responsible for overseeing the Company's financial reporting process.

Independent auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgement and professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- E. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- F. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our auditors' report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

PWCR 23000331

To the Board of Directors and Shareholders of Transcend Information, Inc.

Opinion

We have audited the accompanying consolidated balance sheets of Transcend Information, Inc. and subsidiaries (the "Group") as at December 31, 2023 and 2022, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Independent auditors' responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Group's 2023 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's 2023 consolidated financial statements are stated as follows:

Valuation of inventories

Description

Refer to Notes 4(14), 5(2) and 6(5) to the consolidated financial statements for the information on the Group's inventory accounting policy, estimates and assumptions and allowance for inventory valuation losses.

The percentage of the Group's inventories to total assets is material and the Group applies judgements and estimates in determining the net realizable value of inventories at the balance sheet date. The Group mainly produces DRAM and flash memory. As these products have a short life cycle and belong to a highly competitive industry, the market prices change frequently. Since the Group's inventories and the allowance for inventory valuation losses are material to the financial statements, the valuation of inventories has been identified as one of the key audit matters.

How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Group's operations and industry. Assessed the reasonableness of the policy and procedures to recognize allowance for inventory valuation losses.
- B. Obtained an understanding of the Group's inventory control procedures. Reviewed annual inventory count plan and observed the annual physical count of material inventory storage location in order to assess the effectiveness of internal controls over inventory.
- C. Obtained relevant evaluation reports of inventory and tested the logic and accuracy of information to assess the reasonableness of allowance for inventory valuation losses.

Estimation of allowance for sales discounts

Description

In consideration of business volume, the Group provides a variety of business incentives to specific customers or products, and based on that, the Group can estimate the allowance for sales discounts monthly. Refer to Notes 4(26) and 6(4) to the consolidated financial statements for the information on the estimation of allowance for sales discounts.

Since the contracts are numerous and the result could affect the net revenue in the consolidated financial statements, the estimation of allowance for sales discounts has been identified as one of the key audit matters.

How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- A. Obtained an understanding of the Group's operations, industry and the procedures to recognize allowance for sales discounts.
- B. Obtained an understanding of the Group's sales procedures and interviewed management to assess

the appropriateness of sales allowance contracts and internal control over estimation of allowance.

- C. Obtained the evaluation list of allowance for sales discounts, and tested material sales allowance contracts and recalculated it to assess the reasonableness of allowance determined by the Group.

Other matter – Parent company only financial reports

We have audited and expressed an unqualified opinion on the parent company only financial statements of Transcend Information, Inc. as at and for the years ended December 31, 2023 and 2022.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the Audit Committee, are responsible for overseeing the Group's financial reporting process.

Independent auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgement and professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- E. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- F. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our auditors' report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

RULES AND PROCEDURES OF SHAREHOLDERS' MEETING (Before amendment)

Article 1: To establish a strong governance system and sound supervisory capabilities for this Corporation's shareholders meetings, and to strengthen management capabilities, these Rules are adopted pursuant to Article 5 of the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.

Article 2: The rules of procedures for this Corporation's shareholders meetings, except as otherwise provided by law, regulation, or the articles of incorporation, shall be as provided in these Rules.

Article 3: Unless otherwise provided by law or regulation, this Corporation's shareholders meetings shall be convened by the board of directors.

This Corporation shall prepare electronic versions of the shareholders meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for ratification, matters for deliberation, or the election or dismissal of directors, and upload them to the Market Observation Post System (MOPS) before 30 days before the date of a regular shareholders meeting or before 15 days before the date of a special shareholders meeting. This Corporation shall prepare electronic versions of the shareholders meeting agenda and supplemental meeting materials and upload them to the MOPS before 21 days before the date of the regular shareholders meeting or before 15 days before the date of the special shareholders meeting. In addition, before 15 days before the date of the shareholders meeting, this Corporation shall also have prepared the shareholders meeting agenda and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at this Corporation and the professional shareholder services agent designated thereby as well as being distributed on-site at the meeting place.

The reasons for convening a shareholders meeting shall be specified in the meeting notice and public announcement. With the consent of the addressee, the meeting notice may be given in electronic form.

Election or dismissal of directors, amendments to the articles of incorporation, reduction of capital, application for the approval of ceasing its status as a public company, approval of competing with the company by directors, surplus profit distributed in the form of new shares, reserve distributed in the form of new shares, the dissolution, merger, or demerger of the corporation, or any matter under Article 185, paragraph 1 of the Company Act, Articles 26-1 and 43-6 of the Securities and Exchange Act and Articles 56-1 and 60-2 of the Regulations Governing the Offering and Issuance of Securities by Securities Issuers shall be set out and the essential contents explained in the notice of the reasons for convening the shareholders meeting. None of the above matters may be raised by an extraordinary motion.

Where re-election of all directors as well as their inauguration date is stated in the notice of the reasons for convening the shareholders meeting, after the completion of the re-election in said meeting such inauguration date may not be altered by any extraordinary motion or otherwise in the same meeting.

A shareholder holding one percent or more of the total number of issued shares may submit to this Corporation a proposal for discussion at a regular shareholders meeting. The number of items so proposed is limited to one only, and

no proposal containing more than one item will be included in the meeting agenda. When the circumstances of any subparagraph of Article 172-1, paragraph 4 of the Company Act apply to a proposal put forward by a shareholder, the board of directors may exclude it from the agenda. A shareholder may propose a recommendation for urging the corporation to promote public interests or fulfill its social responsibilities, provided procedurally the number of items so proposed is limited only to one in accordance with Article 172-1 of the Company Act, and no proposal containing more than one item will be included in the meeting agenda.

Prior to the book closure date before a regular shareholders meeting is held, this Corporation shall publicly announce its acceptance of shareholder proposals in writing or electronically, and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

Shareholder-submitted proposals are limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the regular shareholders meeting and take part in discussion of the proposal.

Prior to the date for issuance of notice of a shareholders meeting, this Corporation shall inform the shareholders who submitted proposals of the proposal screening results, and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting the board of directors shall explain the reasons for exclusion of any shareholder proposals not included in the agenda.

Article 4: For each shareholders meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by this Corporation and stating the scope of the proxy's authorization.

A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting, and shall deliver the proxy form to this Corporation before five days before the date of the shareholders meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

After a proxy form has been delivered to this Corporation, if the shareholder intends to attend the meeting in person or to exercise voting rights electronically, a written notice of proxy cancellation shall be submitted to this Corporation before two business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail..

Article 5: The venue for a shareholders meeting shall be the premises of this Corporation, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.

Article 6: Shareholders and their proxies (collectively, "shareholders") shall attend shareholders meetings based on attendance cards, sign-in cards, or other certificates of attendance. This Corporation may not arbitrarily add requirements for other documents beyond those showing eligibility to attend presented by shareholders. Solicitors soliciting proxy forms shall also bring identification documents for verification.

This Corporation shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in.

This Corporation shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors, pre-printed ballots shall also be furnished.

When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting.

Article 7: If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the vice chairperson shall act in place of the chairperson; if there is no vice chairperson or the vice chairperson also is on leave or for any reason unable to exercise the powers of the vice chairperson, the chairperson shall appoint one of the managing directors to act as chair, or, if there are no managing directors, one of the directors shall be appointed to act as chair. Where the chairperson does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chair.

It is advisable that shareholders meetings convened by the board of directors be chaired by the chairperson of the board in person and attended by a majority of the directors, at least one independent director in person, and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes.

If a shareholders meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

This Corporation may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting in a non-voting capacity.

Article 8: This Corporation, beginning from the time it accepts shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures.

The recorded materials of the preceding paragraph shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Article 9: Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised electronically.

The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting.

However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.

Article 10: If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. Votes shall be cast on each separate proposal in the agenda (including extraordinary motions and amendments to the original proposals set out in the agenda). The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

The provisions of the preceding paragraph apply *mutatis mutandis* to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed, call for a vote, and schedule sufficient time for voting.

Article 11: Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.

After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

Article 12: Voting at a shareholders meeting shall be calculated based on the number of shares.

With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of this Corporation, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

Article 13: A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

When this Corporation holds a shareholder meeting, it shall adopt exercise of voting rights by electronic means. When voting rights are exercised by electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that this Corporation avoid the submission of extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by electronic means under the preceding paragraph shall deliver a written declaration of intent to this Corporation before two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by electronic means, in the event the shareholder intends to attend the shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to this Corporation, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by electronic means shall prevail. When a shareholder has exercised voting rights both by electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Except as otherwise provided in the Company Act and in this Corporation's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, the shareholders shall vote by a poll for each proposal. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all

monitoring personnel shall be shareholders of this Corporation.

Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

Article 14: The election of directors at a shareholders meeting shall be held in accordance with the applicable election and appointment rules adopted by this Corporation, and the voting results shall be announced on-site immediately, including the names of those elected as directors and the numbers of votes with which they were elected, and the names of directors not elected and number of votes they received.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 15: Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form.

This Corporation may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results (including the number of voting rights), and disclose the number of voting rights won by each candidate in the event of an election of directors. The minutes shall be retained for the duration of the existence of this Corporation.

Article 16: On the day of a shareholders meeting, this Corporation shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation and the number of shares represented by proxies, and shall make an express disclosure of the same at the place of the shareholders meeting.

If matters put to a resolution at a shareholders meeting constitute material information under applicable laws or regulations or under Taiwan Stock Exchange Corporation regulations, this Corporation shall upload the content of such resolution to the MOPS within the prescribed time period.

Article 17: Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands.

The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."

At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by this Corporation, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

Article 18: When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the meeting venue is no longer available for continued use and not all of the items (including extraordinary motions) on the meeting agenda have been addressed, the shareholders meeting may adopt a resolution to resume the meeting at another venue.

A resolution may be adopted at a shareholders meeting to defer or resume the meeting within five days in accordance with Article 182 of the Company Act.

Article 19: These Rules shall take effect after having been submitted to and approved by a shareholders meeting. Subsequent amendments thereto shall be effected in the same manner.

Section V - Managerial Officers

Article 20 : The Company may have managerial officers, whose appointment, dismissal, and remuneration shall be handled in accordance with Article 29 of the Company Act.

Section VI - Accounting

Article 21 : After the close of each fiscal year, the Board of Directors shall prepare 1.Business Report 2. Financial Statements and 3.Proposal Concerning Appropriation of Net Profits or Covering of Losses, and submitted to the regular shareholders' meeting for acceptance:

Article 22 : If the Company has earnings after the annual final accounting, it shall pay remuneration to employees at the minimum of 1% of the profit, and pay remuneration to directors at the maximum of 0.2% of the profit. However, the Company's accumulated losses shall have been covered.

Employees' remuneration could be paid by cash or stock. Employees shall mean the employees of parent or subsidiaries of the company meeting certain specific requirements. Such specific requirements shall be prescribed by the board of directors.

Article 22-1 : If the Company has earnings after the annual final accounting, it shall be allocated in the following order:

1. To pay taxes.

2. To cover accumulated losses, if any.
3. To appropriate 10% legal reserve unless the total legal reserve accumulated has already reached the amount of the Company's authorized capital.
4. To appropriate or reverse special reserve in accordance with the regulations
5. To reserve certain amount, on the premise that there is no effect on the Company's normal operations and no violation of regulations, for maintaining stability of dividends.
6. For any remainder, adding on accumulated unappropriated retained earnings, the board of directors shall propose the earnings distribution proposal and shall handle in accordance with the following provision: the board of directors is authorized to distribute dividends and bonuses or legal reserve and capital reserve in whole or in part which be paid in cash after a resolution has been adopted by a majority vote at a meeting of the board of directors attended by two-thirds of the total number of directors; and in addition thereto a report of such distribution shall be submitted to the shareholders' meeting in accordance with Section 5 of Article 240 and Article 241 of the Company Act. In case of the dividends and bonuses or legal reserve and capital reserve in whole or in part be distributed in the form of new shares to be issued by the company, shall be proposed to the shareholders' meeting for review and approval by a resolution in accordance with Article 240 of the Company Act.

Regarding the special reserve under subparagraphs 4, the Company shall set aside special reserve, equal to the debit balance which happens at the current year on other equity items (including unrealized loss on financial instrument, cumulative translation adjustment, and unrecognized pension cost, which can be combined if there are unrealized gain.), from the current earnings after tax and unappropriated retained earnings prior year. If the debit balance is cumulative before, the Company shall set aside special reserve not to distribute it from the unappropriated retained earnings prior year. When debit balance on other equity items is reversed subsequently, the reversed amount could be included in the distributable earnings.

Article 22-2: The Company distributes dividends taking into consideration the Company's economic environment and growth phases, future demands of funds, long-term financial planning, and the cash flows that the stockholders desire. Cash dividends shall account for at least 5% of the total dividend distributed.
