Type-C

Portable SSDs

ESD230C Portable SSD

In the perfect combination of portability and reliability, Transcend's ESD230C is an external SSD that features fast data transfer rates and solid data integrity. The credit-card size ESD230C fits in your wallet, making it the perfect choice for businesspeople needing to take important files on their many travels.
Transfer in a blink of an eye

The ESD230C is equipped with the USB 3.1 Gen 2 interface with the support of UASP (USB Attached SCSI Protocol), providing transfer speeds of up to 520MB/s.

Compact and lightweight

Pack light! The credit-card size ESD230C, with mere 9.6mm in height, fits perfectly in your wallet or purse, and takes up little space in your briefcase. The anti-scratch coating means the external SSD will look sharp even after all the miles. With a reflective black case, you'll be both savvy and stylish.

Expand storage in a flash

The ESD230C provides up to 960GB of storage capacity, ensuring you have plenty of space for backups, as well as storing your high-resolution images, 4K videos, and other media files!
